Notes: THE HORSE LIKE NO OTHER...One Stylish Pepto is an embryo son of the great One Moore Spin & Peptos Stylish Oak. He was always going to be an elite performer & an elite sire. One Stylish Pepto's co-owner, Peter Shakspeare is a keen follower of genetics, he insists that whatever you breed, you must start with the best & One Moore Spin offers just that. Peter purchased One Stylish Pepto at Tamworth Landmark Sale in February, 2013 because he recognized his potential to perform in both campdrafting and cutting arenas and to become a super sire in both these fields. He's now a regular competitor on the big campdrafting stages and the level of excitement he generates is unique. "Super athlete, so athletic he continues to surprise both himself & me with his freakish ability. The future will be exciting as he reaches his potential as a campdrafter." Mark Buttsworth. www.onestylisypepto.com.au.
